

IN THE DRAWINGS

The attached sheets of drawings include changes to FIGS. 3, 4, 11, 12, 13B and 13D.

These sheets replace the original sheets.

In FIG. 3 a labeled element "65" has been changed to --65'--. Also, element number and leader lines have been added for elements --20-- and --55--.

In FIG. 4 the leader lines from element 65 have been moved to point to the small crosses. Also, element numbers and leader lines have been added for elements --20--, --65'--, --24--, and --55--.

In FIG. 11 a small line near the junction of elements 20 and 40 has been removed.

In FIG. 12 element 540 has been redrawn to include curves representative of a conduit.

The position of FIG. 13B has been switched with the position of FIG. 13D. FIG. 13C remains unchanged.

Attachments to this amendment include the clean replacement sheets and also annotated sheets showing the changes marked in red.

REMARKS

Applicant respectfully requests entry of the amendments shown herein prior to issuance.

The amendments shown herein correct minor errors in the text of the specification, drawings and the claims. The abstract is amended to improve its clarity. No new matter has been introduced.

Further, accompanying this amendment is a petition to correct the name of the inventor. Applicant requests that the issued patent correctly name the inventor as:

Eldon H. Nyhart, Jr.

Applicant brings to the attention of the Examiner U.S. Patent No. 6,738,661 B1, which is the parent of this divisional application. The entities including name, address, and assignee appearing in the published '661 patent were correct for the aspects directed to herein and should be cited as a source publishing example and guidance. Applicant commends the Examiner on remedying adequately similar prior circumstances during patent publication.

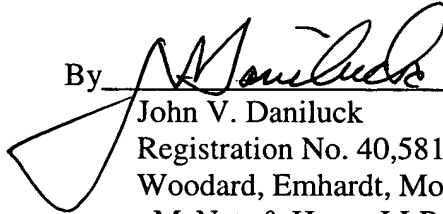

CLOSING

Applicant respectfully requests amendment of the claims, specification, drawings, and abstract to improve clarity and to correct the misspellings, typographical errors and other minor errors noted herein.

If there are any questions regarding entry of these amendments, please call the undersigned.

Respectfully Submitted,

By
